

Concur

Concur, is a customizable, innovative, global, self booking solution for corporations, as part of a managed travel program it has proven to reduce and optimize business travel spend, ensure broad access to global and local content and remove barriers to increase online, self-service adoption levels. Concur combines the look, feel and ease-of-use of leisure online booking tools, with the control and content required for corporate travel planning and management. If you cannot control the costs you cannot measure it!
