

Mobile Booking and Trip Messaging

Business travelers are increasingly reliant on Smartphone technology. The Options Travel's Concur Travel & Expense Mobile App helps business Travelers manages their trips on the road or in the air.

Travelers Can:

View travel itineraries and flight status details

- Add hotel, dining or taxis to an itinerary
- Book flights or trains
- Get instant directions
- Edit, delete or enter new expenses
- Photograph receipts and connect the (IRS-compliant) images to the expense
- Submit and approve expense reports
- Approve invoices
- Add car mileage to an expense report

Business Can:

- Keep control – travel content is determined by your policies
- Save time – convenient access speeds up submissions and approvals
- Improve accuracy – with receipt images and on-the-spot reporting
- Satisfy travelers – mobile access makes travel much easier
